

# HARROW UNITED NEWS

Join us for our next **Messy Church**, **Thursday, July 18** in conjunction with the community barbecue. It begins at **5:30** with the meal, followed by activities for all ages.

The theme will be Noah's Ark. Games, crafts, food and fun! We hope to see you!

We're not sharing Sunday mornings together for the summer, but we would love to spend **Thursday evenings with you.**

Join us for our **Community BBQs** each Thursday at 5:30pm. We supply the hot dogs. Feel free to bring a food item to share. *Stay for a group activity following the meal.*

In June several members of our congregation attended the **Annual Meeting of the Prairie to Pine Region** in Brandon.

"Now on that same day two of them were going to a village called Emmaus..and talking with each other about all these things that had happened." (Luke 24: 13-14)

**Daughterhood Circles** are small groups who get together to help each other navigate caring for their aging parents. A growing aging population means more people - particularly women - find themselves with unexpected responsibilities for a frail parent's care. *If you are interested in joining a Daughterhood Circle, please contact Sherry at The Convalescent Home of Winnipeg (204) 453-4663 ext. 209 sheppner@tchw.com*

Westworth United Church offers **Vacation Bible School** for children the last week of August. More info: <http://westworth.ca/2019/04/vacation-bible-school-3/>

The United Church of Meadowood has a **Vacation Bible Camp** for ages 4-10 in August. It's a great way for children to connect during the summer months!

## News from Council:

Many renovation projects have been **completed** the past few months, including repairs to the soffit, fascia and eavestrough. The floor refinishing in the upper hall has begun.

We're pleased to announce that **Karen Corbett** is taking on the role as Harrow's new **Office Administrator**. The revised office hours will be:

**Mon-Thurs Noon-4pm, Fridays 9am-1pm**

Please note that office hours are reduced for the summer. Emails and phone messages will be returned as soon as possible.

The summer employees, **Sarah Scerbo, Tamara Nelson, and Amara Alkana** have been doing wonderful work. In addition to organizing the weekly community BBQs, they spend Tuesdays helping out the staff & spending time with the residents at The Convalescent Home of Winnipeg.

If anyone needs help with yard work, contact the church, to arrange for the summer employees to come out & give a hand.

## CONGRATULATIONS

We celebrated with **Gordon Holland** and his family to give thanks for his **90th birthday** during and after the last service before the summer break.
